Gentlemen:

We are the attorneys and copyright agents for a number of software publishers, including NemeSys Music and Steinberg Media.

It has come to our attention that a post in the google groups unlawfully offers several of our clients' copyrighted software programs for distribution/sale.

Please REMOVE the above-referenced post.

The post appears to have originated from a user of forthnet.gr, and we would further request that Forthnet take appropriate action to delete the post from the other news group (alt.cracks.nl.newbie) involved and take appropriate action against the poster to prevent further infringing activity.

Regards,

[REDACTED]
