Dear Goggle team,

Before I start the formal listing of the infringement of copyright texts, please, let me shortly describe the problem.

The texts -- my books and articles -- are displayed at the moment on two web sites: one is my legal and official web site that is olegarin.com and another - rusglobus.net, where my works are placed without my permission. I have applied many times to rusglobus team to remove my pages from rusglobus.net, but they have refused my request. I would like to stress that rusglobus.net does not have my written permission and signature to keep my works on their web site.

All my works are signed as Oleg Arin (that is my Russian pseudonym) and as Alex Bahtler (my legal name). That is why I ask the Google team to remove my pages under both of my names from rusglobus.net, listed on Google search engines.

The works at issue are the texts that infringed my copyrights and are not the copyright of rusglobus.net appeared on Google.com, Google.ca, Google.ru which I wanted to be removed are as follows:
