1. The following URL's are stealing my content/code/graphics:  
(all of these redirected to the same site)  
OneParentFamily.com,  
OneParentFamily.co.uk,  
SingleParentsWorld.co.uk,  
OneParentDad.co.uk,  
SingleParentsClub.org

Proof of the stolen material are as follows:

<http://www.oneparentfamily.com/images/homel.html>

this url uses my text as follows:

"Think dating is hard?...try dating as a single parent! Once you convince someone that having children is not equal to having the plague, then single parents have to deal with all the issues that come up."

As seen at: <http://www.parentsworld.com/>

Where the EXACT text as above can be seen on the front page, as follows:

"Think dating is hard?...try dating as a single parent! Once you convince someone that having children is not equal to having the plague, then single parents have to deal with all the issues that come up."

WORD FOR WORD, including the "... " it's the same.

If [REDACTED] of One Parent Family were to try and claim this text to Be his own, My use of this EXACT text can be found at the Way Back Machine as far back as January 18, 2000. This is publicly viewable at: <http://web.archive.org/web/20000118153302/http://parentsworld.com/index.html>

Also, on November 25, 2001, a demand was sent to [REDACTED] to remove My logo from his website as he was using it as his own without permission.

[REDACTED] claimed it was a misunderstanding and promised to remove it. Todate, the logo remains at:

<http://www.oneparentfamily.com/images/header.jpg> and at <http://www.oneparentfamily.com/images/leave4ww.bmp> but with this second example, he's added HIS URL to MY logo.

This has been my logo since late 1999 as seen at my site <http://www.parentsworld.com/images/header.jpg> and as seen in use on the Way Back Machine at <http://web.archive.org/web/20000118153302/http://parentsworld.com/index.html> and can be seen still in use at my original URL at <http://www.nucleus.com/~jlassali>

After two weeks of demand notices, he HAS removed SOME of the offending materials, but not all. As shown with the logo, often the material is

removed only to be put back up at a later date. A timeline of the copyright infringements that keep occurring over the years and screen shots of materials stolen can be viewed at <http://www.parentsworld.com/stolen.html>
