Dear Google Team:

In this matter our office represents Religious Technology Center ("RTC"), the owner of the confidential Advanced Technology of the Scientology religion and the holder of exclusive rights under the copyrights applicable to the Advanced Technology materials. The Advanced Technology materials are confidential, unpublished, copyrighted works. RTC's works include, among others, the individual works comprising a level known as "OT III". These works are registered with the United States Copyright Office under registration number TXu 290 496.

Please be advised that there are a number of postings containing the OT III copyrighted works in the Google usenet archive, which were posted without our client's authorization in violation of United States copyright law. We request that these postings be deleted. These postings can be located under the message IDs which are attached below.

I have a good faith belief, and in fact know for certain, that the posting of these works was not authorized by my client, any agent of my client, or the law.

I declare under penalty of perjury that this information is accurate and I am authorized to act on behalf of RTC in this matter.

Sincerely,

[REDACTED]
