Request for disabling access to infringing materials

1. The copyrighted work we would like to protect is "FolderIcon XP 1.0" application. Search results (see below for details and URL's) provide access to data that directly violates license agreement and allows our intellectual property to be used illegally. It also contains copyrighted information about FolderIcon XP.

2. Google provides access to illegal serial numbers, "keygens", patches and copyrighted materials on the following pages:

Search query: **foldericon serial**
