They have failed to do so. Therefore, I am requesting that you delist all pages of the oriental-connection.com online store in the Google Search.

I have in my possession both the original photo prints which I took myself over the last 9 years and I have the original raw digital photos on floppy disc and CD which I also took myself with my own camera. I can produce these on request or in a court of law.

"I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed."

"I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law."

Please let me know that this has been done. Thank you for your time and consideration.
