The main picture of Radha-Krishna is our BBT artwork, used without permission.

<http://www.vahini.org/bhagavata/chapter2.html>

The two pictures used on this page are our BBT artwork from an early edition of our Srimad-Bhagavatam by the Bhaktivedanta Book Trust. Both are used without permission. However, they took this stuff directly from Srimadbhagavatam.org (see below), which itself does not give credit to the BBT for copyright. So they can very well argue that they did not know that these were our pictures.
