Dear Sirs:

**RE: COPYRIGHT INFRINGEMENT**

I am the Chief Operating Officer for WSI and I understand that our staff have recently been in contact with you about the misuse of a WSI press release by an individual (who refers to himself as "ex-franchisee" and) who has without the owner's consent posted a copy of this press release on various other web pages in order to direct traffic to his own web-site. A copy of the press release is attached and please note that the press release properly appears at the following web page:\_\_\_\_\_.

This attempt to re-direct legitimate traffic through misuse of a copyright protected press release for clearly unauthorized purposes is, in our view, copyright infringement and the press release must be removed from all pages that are unauthorized. The press release has wrongfully been posted to the following web pages, each of which has been separately identified by search query and infringing web pages described below:

Search query:

Infringing web pages:

Owner/administrator of web-page (e-mail address):

If you require any further information on any of the foregoing, please contact the undersigned at [REDACTED] ext. [REDACTED] by phone or [REDACTED]@ [REDACTED].com by e-mail.

I have a good faith belief that use of the copyrighted materials described above, on the allegedly infringing web pages, is not authorized by the copyright owner, its agent, or the law.

I swear, under penalty of perjury consistent with United States Code Title 17, Section

512, that the information in the notification is accurate and that I am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

  
Yours truly;

Chief Operating Officer
