Dear Google,

I have discovered copyrighted material of my own on other web sites via your search engine. The work in question is my book review for The Da Vinci Code by Dan Brown which can be found at [http://www.reviewsOfBooks.com/da\\_vinci\\_code/review/](http://www.reviewsOfBooks.com/da_vinci_code/review/). Note my byline: Review by [REDACTED]

If you type the following text into the Google web search engine:

da vinci code ricebitz

two sites are shown who have posted my review, word for word, complete with my byline. The infringing web pages are

[http://www.ricebitz.com/issue013/fried\\_rice/book.html](http://www.ricebitz.com/issue013/fried_rice/book.html)

and

<http://www.tsinoy.com/Chopsuey/Reviews.cfm?ID=702>

I can be reached by e-mail at [REDACTED]@reviewsOfBooks.com

I emailed the administrators for ricebitz.com at [REDACTED]@ricebitz.com and tsinoy.com at [REDACTED]@guapunya.net. Both agreed to remove the book review, but to date, neither has.

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law.

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Sincerely,

[REDACTED]

Administrator of ReviewsOfBooks.com
