**Re: Notice of Copyright Infringement Under the Digital Millennium Copyright Act (DMCA)**

Dear Sir or Madam:

We recently learned of additional content available through the Google groups function which infringes our copyright. Please note that this is additional infringing content that was not included in our letters prior to today.

Pursuant to the DMCA, the copyright owner respectfully requests that you remove the unauthorized, infringing materials from your web site immediately.

The copyrighted works infringed are course materials and lecture transcripts that were each copyrighted in 1987 by Harry Palmer. All rights reserved. These materials have been the subject of previous DMCA notices because of postings by the same users. The location data for the infringing posts are attached.

I represent the copyright holder in this matter as his authorized agent. My address, telephone number, and e-mail address are:

[REDACTED] Esquire  
Star's Edge International  
[REDACTED]  
Altamonte Springs, Florida 32714  
[REDACTED]  
E-mail: [REDACTED]@AvatarEPC.com

I have a good faith belief, and in fact know for certain, that the use of the copyrighted materials is not authorized by the copyright owner, its agent, or the law. Pursuant to the DMCA, the copyright owner respectfully requests that you immediately remove the infringing materials from your website.

I swear, under penalty of perjury, that the above information in this notice is accurate and that I am authorized to act on the copyright owner's behalf.

Please notify me when the infringing content has been removed.

If you require further information, let me know and I will provide it without delay. Thank you for your assistance in this matter.

Sincerely,

[REDACTED]

Corporate Counsel
