The material contained on your website at:

<http://workers-compensation-insurance.blogspot.com/>

is an unauthorized use of copyrighted material from my company website. It appears to have been posted November 5, 2003. This Workers' Compensation glossary is a direct copy of the copyrighted glossary that has been appearing on my website for the past several years (at least.) I am the author of that glossary, and I have not authorized this use of my copyrighted material.

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law.

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.
