SECOND Demand for Immediate Take-Down: Notice of Infringing Activity

URL: http://hellwolf.blogspot.com/2003_07_01_hellwolf_archive.html
CASE #: 35871

16 December 2004

Dear Sir or Madam,

Microsoft has received information that the domain listed above, which appears to be on servers under your control, is offering unlicensed copies of, or is engaged in other unauthorized activities relating to copyrighted computer programs published by Microsoft.

1. Identification of copyrighted works:

Computer program(s):
Windows Longhorn 4008

Copyright owner:
Microsoft Corporation

2. Copyright infringing material or activity found at the following location(s):
http://hellwolf.blogspot.com/2003_07_01_hellwolf_archive.html

The above location is offering 'Cracks' or 'Product Keys', intended to circumvent technical measures that control access to Microsoft's copyrighted works and that protect Microsoft's copyrights in those works.

3. Statement of authority

I hereby certify under penalty of perjury that the information in this notice is accurate and that I am authorized to act on behalf of Microsoft, the owner of the copyright(s) in the work(s) identified above. I have a good faith belief that none of the materials or activities listed above have been authorized by Microsoft, its agents, or the law.

We hereby give notice of these activities to you and request that you take expeditious action to remove or disable access to the material described above, and thereby prevent the unauthorized distribution of these cracks and product keys via your company's network.

We appreciate your cooperation in this matter. Please advise us regarding what actions you take.

Yours sincerely,

Internet Investigator

on behalf of Microsoft Corporation

Redmond, WA 98052
United States of America
