RE: Copyright infringement.

I need the links listed below removed from your search engine. The links are to pirated copies of my software. The links appear in the google search directory when doing a search for "Trend Simplicity"

1. Identify in sufficient detail the copyrighted work that you believe has been infringed upon.

The copyrighted work at issue is the software that appears on
<http://www.trendsimplicity.com>

2. Identify the material that you claim is infringing upon the copyrighted work listed in item #1 above.

The CD's offered for sale on the google links with Trend Simplicity software are bogus.

3. Provide information reasonably sufficient to permit Google to contact you (email address is preferred).

4. Provide information, if possible, sufficient to permit Google to notify the owner/administrator of the webpage that allegedly contains infringing material (email address is preferred).
