Or you will no longer have a reputation as a reputable cat breeder any longer. Business ethics dictate that in the business laws. What kind of a business are you running? [REDACTED] wants to give you back your kittys and you are to do the right thing by giving back his money in full, cash, no checks. If you do not do this your name will be totally destroyed all over the world and if you get another cattery name I will track you down until you pay this man his money, its that simple. Its to your best interest to pay this man his \$400.00 or you will be listed, you have until 6:00 pm PST in California, if this is not resolved you will be the sorriest cat breeder and you then will be known as a bad cat breeder in American and all over the world because my site goes all over the world. And if you do not believe what my site can do to your please go to <http://www.pedigree-cbs.org/passml.html> and find out for yourself. This site is not a game or a joke its for real you make the decision whether your name & cattery gets listed its all up to you I would think all of this is something to think about real hard. Thank you so much for your attention on this matter
