Attn: User Support, DMCA complaints:

I would like to file a notice of infringement. When I do an image search for the name "Jon Gass" on Google, an image comes up that was taken from my photography website. It is being used and hosted by someone else. This image is copyrighted and I have never granted any use of the image to anyone.

Here is a link to the website- webzine.soundart.co.kr/contents/s_1lst.jsp?cp...

Here is the offending photo

Here is where they have it stored on their server (I think), webzine.soundart.co.kr/contents/adm/f_1lst/9.jpg

I have emailed them several times asking for removal but they have not replied. Here is the email address listed for their webmaster- [REDACTED]@soundart.co.kr

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law.

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Thank you!
