Dear Google User Support

I am writing to assert a DMCA complaint against the owner of www.worldbusinessranking.info. The site in question has stolen the source code of businessranks.com and republished the site, wholesale, changing only the banners. [Businessranks.com](http://businessranks.com) has been in existence since January 2004. The theft occurred sometime after March 2005, the date that the owner registered the domain, worldbusienssranking.info

The entire site of www.worldbusinessranking.info has plagiarized/scraped/ stolen from businessranks.com verbatim. [Businessranks.com](http://businessranks.com) can be reached via email at [REDACTED]@businessranks.com. The alleged infringer, and owner, of worldbusinessranking.info is: [REDACTED] Swathi Complex, Platform Road, Seshadripuram, Bangalore, India. His email address is listed as: [REDACTED]@gmail.com

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law. Additionally, I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Thanks for your attention to this matter,

[REDACTED]
