Re: NOTICE OF INFRINGEMENT –

<http://www.teamavengers.org>

As there are no DMCA contact informations listed under <http://www.teamavengers.org>, I am sending this to the current administrative contact listed under WHOIS as of April 15th, 2005. If you are not the agent designated to deal with DMCA takedown notices for <http://www.teamavengers.org>, please forward this information to said agent.

This is a NOTICE OF INFRINGEMENT for materials found under the site FFXlclopedia at <http://www.teamavengers.org/ffxiclopedia>. This notice is being sent in compliance with the Digital Millenium Copyright Act (17 USC 512).

This is a request to remove or disable access to material found on FFXlclopedia under the URL <http://www.teamavengers.org/ffxiclopedia/index.php/Avatar/ES>. This information was copied without permission from the copyrighted material that

is posted at
<http://ffxi.allakhazam.com/db/jobs.html?fjob=15&mid=1112170323956021672>.

The history page for the Wiki page
<http://www.teamavengers.org/ffxiclopedia/index.php?itle=Avatar/ES&oldid=9114>

clearly shows the content being copied verbatim and being modified thereafter, which is in violation of United States Copyright law.

I did not authorize licensing the content under the GFDL (GNU Free Documentation License), and was never contacted to see if the material could

be copied for use on your web site. The user [REDACTED] had no right

to license the content under GFDL, which is clearly spelled out under

FFXiclopedia Copyright under Contributors' rights and obligation on <http://www.teamavengers.org/ffxiclopedia/index.php/FFXiclopedia:Copyrights>, in particular:

<quote> In order to contribute, you therefore must be in a position to grant

this license, which means that either you own the copyright to the material,

for instance because you produced it yourself, or you acquired the material

from a source that allows the licensing under GFDL, for instance because the

material is in the public domain or is itself published under GFDL.

</quote>

Therefore, pursuant to the DMCA, I hereby request that you expeditiously

remove or disable access to the infringing content. I have a good faith

belief that the use of the copyrighted material above is not authorized by

the copyright owner under law. I swear, under penalty of perjury, that the

information in this takedown notice is accurate to the best of my knowledge,
and that I am the copyright owner of the work described above.

If you have any questions about the DMCA, and your rights and obligations as
a service provider (17 USC 512(k)) under the act, please refer to the
Chilling Effects Clearinghouse at <http://www.chillingeffects.org/>
which is
an excellent source for information regarding DMCA and DMCA
takedown
notices. I also believe that the takedown procedure listed under
FFXyclopedia Copyright page is not compliant with the DMCA, as it
requires
me to register with FFXyclopedia in order to edit the Request for
removal
page.

Please note that my contact information is private, and must not be
used for
any purpose other than dealing with this notice. Thank you for your
attention to this matter.
