RE: INFRINGEMENT NOTIFICATION
FAX TO: [REDACTED]
Attn: User Support, DMCA complaints

Dear Google User Support,

I would like to file a notice of infringement with you.

1. Identify in sufficient detail the copyrighted work that you believe has been infringed.

We first published our text on July 14, 2003.

Infringing Web page:
<http://www.treceproducciones.com/about.htm>

2. Identify the material that you claim is infringing the copyrighted work listed in item #1 above.

Search Query 1: Google

"Your website represents your business, 24 hours a day, 7 days a week. It is your salesperson, customer service representative, and tour guide for your business, 365 days a year."

Search Query 2: Google

"This means that instead of using valuable time to respond to frequently asked questions about your business, such as directions, hours of operation, pricing, product information, you can focus your attention on your business."

Search Query 3: Google

"we specialize in clean, professional, affordable, and eye-catching web design. Your website should not only look highly professional, but it should also make a big impact, and be easy to use. We also specialize in many other design services, such as logo design, graphic design, corporate branding, and much more"

Search Query 4: Google

"That experience allows us to have a better understanding of your needs and the skill to create a site that represents your company and communicates a clear message to your customers."

Search Query 5: Google

"It's important to convey a strong, professional, welcoming image. Graphics can attract or repel your customer. We realize the importance of image in business and our goal is to give you eye-catching and appropriate graphics for your corporate image."

Search Query 6: Google

"Your logo is the most visible element that represents your company. A logo with impact can communicate more than your company name, but also your company values."

Search Query 7: Google

"If you need to provide content to employees, customers or affiliates on CD, why not provide them with a professional menu on the CD?"

Search Query 8: Google

"This makes the information on the CD more accessible and user friendly. We also specialize in creating the artwork for the covers and CD itself."

Search Query 9: Google

"If you are a new company or an existing company trying to reinvent your image or company name, we can help. From logos to business cards to letterhead, your company's image should communicate your corporate values."

Search Query 10: Google

"advertising is an effective way to increase your site traffic and is a great addition to your arsenal of advertising vehicles."

Search Query 11: Google

"E-mail campaigns help you get the most impact out of your electronic customer communications. These allow you the power and flexibility of HTML, through e-mail. Regular and consistent messages not only provide information to your customers, but create repeat business."

Search Query 12: Google

"We can provide or recommend a web hosting company for you. Uptime, cost, and support are the most important things to look for in a web host. If you hardly ever have to call customer support, you have found the right company."

3. Provide information reasonably sufficient to permit Google to contact you (email address is preferred).
