Re: Notice of Copyright Infringement Under the Digital Millennium Copyright Act (DMCA) and Notice of Violation of Federal Court Injunction

Dear Sir or Madam:

We recently learned of content available through the Google groups function which infringes our copyright and which violate an injunction issued by the Federal District Court, Middle District of Florida. Pursuant to the DMCA, the copyright owner respectfully requests that you remove the unauthorized, infringing materials from your web site immediately.

The copyrighted works infringed are course materials copyrighted in 1987 by Harry Palmer. All rights reserved.

Eldon Braun and his agents have been enjoined from selling, publishing, or distributing "The Source Course" by the Federal District Court, Middle District of Florida because it violates Harry Palmer's copyrights. Attached is a copy of the judgment enjoining its sale, publication or distribution.

The first message ID and header in the attachment contains a posting that is publication of the enjoined work, "The Source Course" which was found to infringe copyrighted works of Harry Palmer.

The remaining message IDs and headers contain copyright infringement separate from the injunction.

I represent the copyright holder in this matter as his authorized agent. My address, telephone number, and e-mail address are:

I have a good faith belief, and in fact know for certain, that the use of the copyrighted materials is not authorized by the copyright owner, its agent, or the law. In fact, it is counter to federal court order. Pursuant to the DMCA, the copyright owner respectfully requests that you immediately remove access to the infringing materials from your website.

I swear, under penalty of perjury, that the above information in this notice is accurate and that I am authorized to act on the copyright owner's behalf.

Please notify me when the posts have been removed.

If you require further information, let me know and I will provide it without delay. Thank you for your assistance in this matter.

Sincerely,
[REDACTED]
