I am a freelance writer. I was paid for an article by Student Traveler magazine. It originally appeared on their website at:
www.studenttraveler.com/mag/02-05/guatemala.php

Recently, I discovered www.copyscape.com and did a search and discovered that www.eslusa.org had stolen my article and was using it without payment or permission.

As well, by doing a Google search query using: Guatemalan guinea pig language school. I found this site listed after the Student Traveler (non-offending) site.
