Dear Blogger DMCA Complaint Department,

SUBJECT: COPYRIGHT INFRINGEMENT BY USER WAITIN-FUR

An individual using your service at the site <http://waitin-fur.blogspot.com/> has been copying copyrighted material from my site and posting it onto your servers without permission and in violation of my Copyright Policy

The work in question, "The House That Love Built", can be found on my site, <http://www.ravensrants.com> at the following link:

<http://www.ravensrants.com/poetry/000393.html>

The infringing works appear on his site at the following link:

<http://waitin-fur.blogspot.com/>

(Please note the stolen work is not actually in a post of the blog, but instead imbedded into the HTML of the blog itself, it appears on all pages of the blog. If you view the blog, you can view it in the upper right hand corner of the site in the top right iframe, just underneath the header "_*[[Chapters Of My Life]]_")

The work in question is an original work of which I am the copyright holder. I have all necessary documentation including original drafts.

I realize that you are not at fault for this theft. However, since my attempts to contact the individual at fault has failed and your terms of service forbids the posting of copyrighted works, I am writing you to request that the piece in question be taken down.

If you have any questions about this matter, feel free to write me at _____@ravensrants.com and I will happily answer your queries. In the meantime, I thank you very much for your help on this matter and I hope to hear from you soon regarding it.

DMCA Compliance:

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.
