

Dear [REDACTED]

It seems that despite our complaints to you, you continue to damage our business more and more. First it was web search, then image search, and now you're offering thousands of our images via mobile phones. It has become clear that you are misappropriating our images and hundreds of thousands of other adult images and offering them for free to increase your traffic and advertising revenues. You don't need to offer any adult images to be a search engine, let alone hundreds of thousands, many of which are extraordinarily explicit.

In a prior communication, I attached the declarations of celebrities Britney Spears, Christina Aguilera, Anna Kournikova, Yasmine Bleeth, and Rebecca Gayheart indicating that they have not authorized any celebrity porn site to use their names or images. With this information, our DMCA notices, and the many disclaimers on these sites, you should realize (if you do not already) that virtually all the "celebrity porn" sites whose content Google offers do not have the rights to their content. If your company is really serious about respecting intellectual property rights, you should require licenses or some other proof that celebrity porn sites own ANY of their celebrity images. They don't, and you don't have the rights to copy or display those images either.

Websites whose adult images Google copies and shows to the public that admit that they do not own the rights to their content and typically have misappropriated Perfect 10 images or rights of publicity – if they have not they could at any time - include

 worldclasscelebs.com, wwwterminator.com, zuccaweb.it, and moviemaniac.com.
 Jerkengine.com has thousands of Perfect 10 infringements available by clicking on the
 Google cache link and dainews.nu has many as well. Google should not be listing or
 working with any website that admits that it has stolen its content particularly after
 receiving a DMCA notice about such a website. If you want to find websites that admit
 they do not own their content, do a search on "public domain" & copyright & and either
 celebs or various celebrity names like "Britney Spears." Such standard disclaimers
 include language like "All pictures, photos, and posters are copyrighted by their
 respective owners," - from altcelebs.com; "All pictures are assumed to be in the public
 domain," from free.bol.bg; "The pictures, graphics, and some of the information at this
 site are either from other internet sources or originally scanned by HollywoodMasti.com
 from popular magazines or posters. The copyright on these images belongs to the
 original photographer or the publisher of them;" or "All photographs of models and
 celebrities posted in this website is the property of their respective owners," from
 Gwool.com; or "Jerkengine.com contains photographic images that have been collected
 from various public domain internet resources. Copyright ownership is not claimed,
 implied, nor guaranteed and remains that of the author(s)."

Google is also listing password hacking websites in its search results which contain
 perfect 10 passwords and passwords for other websites in which Perfect 10 owns
 copyrights. Because the passwords on these sites come and go, any password hacking
 website could be dispensing perfect10.com passwords at any time or passwords to other
 websites in which Perfect 10 owns copyrights. Sites in which Perfect 10 owns copyrights
 or other rights include Perfect10.com, perfectten.com, amyweber.net, ambersmith.com,
 ariagiovanni.com, ericacampbell.com, and ddgirls.com, among others. Sites that have
 distributed perfect10.com and perfectten.com passwords in the past include abu-

passwords.com, accessions.org, adult-hacks.com, adult-password.com, adultpasswordcracks.com, adultunderground.com, allpasswords.com, altpassword.com, backdoors.org, banditpasswords.com, bestxxxpasswords.com, cleanpasses.org, custom-hacks.com, darkflash.com, dirty-passwords.com, dutchpasswords.com, eastpasswords.com, extremepasses.com, exxxpasswords.com, ezypass.com, fantasypass.com, forbiddenpasswords.com, forbiddenxxx.net, forbiddenxxx.org, fredspasses.com, freepasses.net, freesexwebsites.com, freeweb.hu, freshhacks.com, grudgefuck.com, hackedlogins.com, hackedpass.com, hackedpaysites.com, hackxxxpasses.com, isekpasswords.com, killysex.com, loginaccepted.com, luckysxxxpasswords.com, mad-passes.com, mostpasswords.com, mperfect.net, necrohiphop.com, nejcpass.com, password-express.com, pass4u.net, passcracker.com, passdb.com, passes4all.com, passwordcorp.com, passwordhq.com, peterspasses.dk, sweetpasswords.com, xxxpassmasters.com, xxxpasswordrus.com, yourxxxpasses.com, zimapass.com, gold-members.com, crazypasses.com, passwordoutlet.com, happy-hacker.com, rawpasswords.com, tanyasmegasite.com, nudepass.com, passwordforum.com, ultrapasswords.com, ultimatepasswords.com, onlinexpasswords.com, uhfpasword.com, and most other password hacking websites.

Perfect 10's copyrighted works which have been infringed can be found in Perfect 10 Magazines and/or on its subscription website at www.Perfect10.com. If you wish to examine such copyrighted works, we can provide you with a temporary username/password with which you may do so. Specific volumes of Perfect 10 Magazine, issue number, and page number on which most of the copyrighted pictures can be found are set forth below.

In the first column below, I have listed the URL of the exact website page on which the unauthorized Perfect 10 images at issue may be located. In some cases the model name appears on that page and it is necessary to click on the model's name to see the actual image. In some other cases the link takes one to the website containing the infringing material but to a different page. I have removed the starting "http://www." on the URLs below to reduce their size. The second column represents the Google search term that was used to find that infringing URL. The third column gives the volume number, issue number, and pages of Perfect 10 Magazine where original copyrighted images may be found. These images may also be found in many cases on perfect10.com. For example, the third row indicates that the infringing URL was found by doing a Google search on "Alena Drazna." The infringing images can be found in Perfect 10 Magazine, volume 3, number 2, p 90 - 95, and on our website perfect10.com.

I have a good faith belief that the use of the Perfect 10 copyrighted material in the manner complained of in this email is not authorized by the copyright holder Perfect 10, its agent, or the law. The information in this notification is accurate. I swear under penalty of perjury that I am authorized to act on behalf of Perfect 10, Inc. the owner of the exclusive rights in the material which is being infringed.

Perfect 10, Inc.

Beverly Hills, CA 90212
