Dear User Support Agent,

We previously sent a notice of infringement, but due to concerns with our fax machine and insufficient information on our previous notice, we are resending a new notice with updated information that explains in more detail exactly what textual material has been copied from our website by the infringing websites cited in the notice. If you have any questions or require additional information, feel free to contact me.

Dear [REDACTED]

According to the instructions contained on your website at <http://www.google.com/dmca.html>, we are filing this notice of infringement regarding two websites that are infringing our copyrighted work.

**1. Identify in sufficient detail the copyrighted work that you believe has been infringed.**

The copyrighted work at issue is the text that appears on [www.satellite-tv.ws](http://www.satellite-tv.ws) and its related links.

**2. Identify the material that you claim is infringing the copyrighted work listed in item #1 above.**

Infringing Web Pages: [www.satellite-dish.be](http://www.satellite-dish.be)  
[www.satellite-tv-dish-network-x.com](http://www.satellite-tv-dish-network-x.com)

The following has been copied from our website:

- Programming Packages
  - Overview page
  - Packages pages
  - All Channel Detail pages (over 400 pages)
- Programming Comparison page
- Digital Video Recorder (DVR) page
- HDTV Package page
- Satellite Articles pages (12 pages)
- FAQ pages (36 pages)
- Satellite Glossary pages (94 pages)
- Dish by State pages (over 2,000 pages)
- 4 Sitemap pages

For example, if you locate either of the two web pages cited in this Part 2 and click on the link for "Satellite Glossary" and then click on the first link "Access Card," you will notice that the textual material that then appears is identical to the textual material found on our website cited in Part 1 under the same links. This is just one specific example of numerous others that I could have provided, but such copying of our website has occurred generally throughout the above bulleted areas.

**3. Provide information reasonably sufficient to permit Google to contact you.**

[REDACTED]@clear-link.com or ben@dishnetwork.com

**4. Provide information, if possible, sufficient to permit Google to notify the owner/administrator of the web page that allegedly contains infringing material.**

For both infringing cites, the owner information is as follows:

owner-address: [REDACTED]  
Hillcrest, CA 92103

phone: [REDACTED]  
e-mail: [REDACTED]@hotmail.com

- 5. I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law.**
- 6. I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.**
