RE: COPYRIGHT INFRINGEMENT

I am contacting you regarding a competitor duplicating the content of our website. The content has been duplicated word-for-word.

The copyrighted work at issue is the website [www.resume-templates.com](http://www.resume-templates.com). The website [www.winning-resume.com](http://www.winning-resume.com) has duplicated the content from our website. It even left the former street address of our company on its license page <http://www.winning-resume.com/license.htm> with changes made only to the city and state.

I can be contacted at the email address [\[REDACTED\]@resume-templates.com](mailto:[REDACTED]@resume-templates.com). The contact information for Templates Factory is [\[REDACTED\]@winning-resume.com](mailto:[REDACTED]@winning-resume.com). I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law. I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Thank you for your assistance,
