Re: Notice of Copyright Infringement Under the Digital Millennium Copyright Act (DMCA) and Notice of Violation of Federal Court Injunction

Dear Sir or Madam:

We recently learned of content available through the Google groups function which infringes our copyright.

Pursuant to the DMCA, the copyright owner respectfully requests that you remove the unauthorized, infringing materials from your web site immediately.

The location information for the infringing post is attached. The copyrighted works infringed are course materials copyrighted in 1987 by Harry Palmer. All rights reserved.

The remaining message IDs and headers contain copyright infringement separate from the injunction.

I represent the copyright holder in this matter as his authorized agent. My address, telephone number, and e-mail address are:

[REDACTED], Esquire
Star's Edge International
[REDACTED]
Altamonte Springs, Florida 32714
[REDACTED]
E-mail: [REDACTED]@AvatarEPC.com

I have a good faith belief, and in fact know for certain, that the use of the copyrighted materials is not authorized by the copyright owner, its agent, or the law. In fact, it is counter to federal court order. Pursuant to the DMCA, the copyright owner

respectfully requests that you immediately remove access to the infringing materials from your website.

I swear, under penalty of perjury, that the above information in this notice is accurate and that I am authorized to act on the copyright owner's behalf.

Please notify me when the posts have been removed.

If you require further information, let me know and I will provide it without delay. Thank you for your assistance in this matter.

Sincerely, [REDACTED]

[REDACTED]
Esquire
Corporate Counsel
