RE: COPYRIGHT INFRINGEMENT

I am contacting you regarding a competitor duplicating the content of our website. Much of the content has been duplicated word-for-word.

The copyrighted work at issue is the website www.work-from-home-jobs.net. The website <http://www.thompsondistribution.com/> has duplicated the content from our website. It even left the former street address of our company on its license page <http://www.winning-resume.com/license.htm>.

I can be contacted at the email address [REDACTED]@work-from-home-jobs.net. The contact information for Thomason Distribution is [REDACTED]@thompsondistribution.com. I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law. I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

I have attached examples of stolen material which was created by our company.

Thank you for your assistance,
