

The following is a DMCA notice.

We have discovered a massive misappropriation of Perfect 10 images that appear from AOL web search and image search. This situation is very serious as consumers can view essentially the entirety of the Perfect 10 library over and over without paying anything by utilizing AOL search. Consumers can also see thousands of high quality third party copyrighted images without charge, which makes the situation even more damaging for our company.

In a prior notice I attached declarations from celebrities Britney Spears, Christina Aguilera, Anna Kournikova, Yasmine Bleeth, and Rebecca Gayheart indicating that they had not authorized any celebrity porn site to use their names or images. With this information, and the large number of Perfect 10 infringements that we are advising you of, and all the disclaimers on sites you work with, you should realize (if you do not already) that virtually all the "celebrity porn" sites whose images AOL is copying (those that advertise nude images of mainstream celebrities) do not have the rights to their content. If your company is serious about respecting intellectual property rights (and you should be, since you are a major owner of copyrights), you should require licenses or some other proof that celebrity porn sites own ANY of their celebrity images. They don't.

When I say, "celebrity porn" website, I'm not talking about the official Britney Spears website, or a free fan site that shows no nudity. I'm talking about a commercial site like lairofluxlucre.com, which has thousands of unauthorized images of celebrities heads on thousands of stolen third party copyrighted images, the bodies of which cannot possibly be fair use. Some of these images are extremely graphic and could not possibly be approved by the celebrity, and as the declarations previously faxed to you indicate, have not been. There are more than five hundred images belonging to Perfect 10 that have been misappropriated and used for bodies in lairofluxlucre.com.

Websites whose images your company routinely copies and displays that admit that they do not own the rights to their content and typically have misappropriated Perfect 10 images or rights of publicity – if they have not they could at any time - include 1britneyspears.com, 1000celebrities.com, 1024x768wallpapers.com, 3thehardway.nl, aahceleb.com, about-celebs.com, absolutepictures.com, actressarchives.com, actressgallery.com, all-celebrities.com, aesseccelebs.com, alwaysgirls.com, anywallpapers.com, artimages.hpg.ig.com.br, babedump.com, babefocus.com, babesonewalls.com, bashfulmonkey.com, belloscans.hpg.ig.com.br, bestcelebritygallery.com, big.clarence.com, biggeststars.com, bonkablebeauties.com, british-babes.co.uk, Britney-spears-nude-pictures.com, caughtcelebs.com, celeb-fan.com, celebavenue.com, celebjoy.com, celeb-teens.com, celebritycastle.com, celebritycd.com, celebritydesktop.com, celebrityhot.com, celebritystart.com, celebrity-cards.com, celebs.promethyl.net, celebs.technovision.dk, celebrity-fansites.com, celebrity-image.com, celebrity-mania.com, celebrity-world.net, celebritymoviearchive.com, celebritynet.net, celebritypictures.com, celebrity-pictures.de, celebritysun.com, celebrityvisions.com, celebrity-wallpaper.com, celebritywallpaper.co.uk, celebritits.com,

Jerkengine.com has thousands of Perfect 10 infringements and dainews.nu has many as well. AOL should not be copying images from or linking to any website that admits that it has stolen its content particularly after receiving a DMCA notice about such a website. If you want to find websites that admit they do not own their content, do a search on "public domain" & copyright & and either celebs or various celebrity names like "Britney Spears." Such standard disclaimers include language like "All pictures, photos, and posters are copyrighted by their respective owners," – from altcelebs.com; "All pictures are assumed to be in the public domain," from free.bol.bg; "The pictures, graphics, and some of the information at this site are either from other internet sources or originally scanned by HollywoodMasti.com from popular magazines or posters. The copyright on these images belongs to the original photographer or the publisher of them;" or "All photographs of models and celebrities posted in this website is the property of their respective owners," from Gwool.com; or "Jerkengine.com contains photographic images that have been collected from various public domain internet resources.

Copyright ownership is not claimed, implied, nor guaranteed and remains that of the author(s)."

AOL is also listing password hacking websites in its search results which contain perfect 10 passwords and passwords for other websites in which Perfect 10 owns copyrighted images. Because the passwords on these sites come and go, any password hacking website could be dispensing perfect10.com passwords at any time. Sites that have distributed perfect10.com and perfect10.net passwords in the past include abu-passwords.com, accessions.org, adult-hacks.com, adult-password.com, adultpasswordcracks.com, adultunderground.com, allpasswords.com, altpassword.com, backdoors.org, banditpasswords.com, bestxxxpasswords.com, cleanpasses.org, custom-hacks.com, darkflash.com, dirty-passwords.com, dutchpasswords.com, eastpasswords.com, extremepasses.com, exxxpasswords.com, ezipass.com, fantasypass.com, forbiddenpasswords.com, forbiddenxxx.net, forbiddenxxx.org, fredspasses.com, freepasses.net, freesexwebsites.com, freeweb.hu, freshhacks.com, grudgefuck.com, hackedlogins.com, hackedpass.com, hackedpaysites.com, hackxxxpasses.com, iseeckpasswords.com, killysex.com, loginaccepted.com, luckysxxxpasswords.com, mad-passes.com, mostpasswords.com, mperfect.net, necrohiphop.com, nejcpass.com, password-express.com, pass4u.net, passcracker.com, passdb.com, passes4all.com, passwordcorp.com, passwordhq.com, peterspasses.dk, sweetpasswords.com, xxxpassmasters.com, xxxpasswordrus.com, yourxxxpasses.com, zimapass.com, gold-members.com, crazypasses.com, passwordoutlet.com, happy-hacker.com, rawpasswords.com, tanyasmegasite.com, nudepass.com, passwordforum.com, ultrapasswords.com, onlinexpasswords.com, uhfpasword.com, and most other password hacking websites.

Perfect 10's copyrighted works which have been infringed can be found in Perfect 10 Magazines and/or on its subscription website at www.Perfect10.com. If you wish to examine such copyrighted works, we can provide you with a temporary username/password with which you may do so. Specific volumes of Perfect 10 Magazine, issue number, and page number on which most of the copyrighted pictures can be found are set forth below.

In the first column below, I have listed the URL of the exact website page, located via AOL web search or image search, in which the unauthorized Perfect 10 images at issue may be located. In some cases the model name appears on that page and it is necessary to click on that link to see the actual image. In a few cases, it is necessary to go to the page which lists the model names first. I have removed the starting "http://www." on the URLs below to reduce their size. The second column gives the search term that was used to find that infringing URL. The third column gives the volume number, issue number, and pages of Perfect 10 Magazine where original copyrighted images may be found. These images may also be found in many cases on perfect10.com. For example, the third row indicates that the infringing URL was found by doing a AOL search on "Adele Stephens." The infringing images can be found in Perfect 10 Magazine, volume 1, number 3, pages 58 - 65, or on perfect10.com.

I have a good faith belief that the use of the Perfect 10 copyrighted material in the manner complained of in this email is not authorized by the copyright holder Perfect 10, its agent, or the law. The information in this notification is accurate. I swear under penalty of perjury that I am authorized to act on behalf of Perfect 10, Inc. the owner of the exclusive rights in the material which is being infringed.
