Sirs

We herewith file a notice of infringement based on:

1. our logo CX Swiss Military watch (see attachment 1) and some of the watches produced by us have been infringed on (see attachments 2/3/4)
2. the infringement can be seen on <http://www.swissmilitarywatch.com> (infringement on our logo) and under *Collections*, too (infringement on our watches). Searching for Swiss Military Watch this specific website is easily found on www.google.com:
<http://www.google.com/search?hl=en&lr=&rls=GGLB%2CGGLB%3A1970-01%2CGGLB%3Aen&q=Swiss+Military+watch>
3. you can contact us any time on [REDACTED]@charmex.ch
4. the company responsible may be contacted under [REDACTED]@swissmilitarywatch.com; they have been asked by us to remove the logo and the watches but have failed reply or meet the deadline (see attachment 5)
5. I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law. Our company never gave permission for use either of the logo or the pictures of the watches.
6. I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

We would appreciate if you could let us know how we can improve this unsatisfactory situation.

Looking forward to hearing from you,
