Dear User Support Agent,

According to the instructions contained on your website at <http://www.google.com/dmca.html>, we are filing this notice of infringement regarding a website that is infringing our copyrighted work.

1. Identify in sufficient detail the copyrighted work that you believe has been infringed.

The copyrighted work at issue is the text that appears on www.satellite-tv.ws and its related links.

2. Identify the material that you claim is infringing the copyrighted work listed in item #1 above.

Infringing Web Site: www.freesatelliteforyou.com

Free Satellite For You.com has placed a banner at the very bottom of their home page and that is the only thing different about the two pages.

For example, if you click on this link: "Direct Tv Programming Packages" on the offending domain it leads to this page:
<http://www.freesatelliteforyou.com/direct-tv/programming.php> which is a complete copy of the <http://www.satellite-tv.ws/direct-tv/programming.php> Direct TV Programming Packages page.

Next, if you click on this link on the offending site:
"Digital Video Recorder (DVR) with Tivo" it takes you to this page:
<http://www.freesatelliteforyou.com/direct-tv/tivo.php>

which is a complete 100% copy of the corresponding page on the offended site located here:
<http://www.satellite-tv.ws/direct-tv/tivo.php>

Next, if you click on the link on the offending site titled:
"HDTV Package", it takes you to this page:

<http://www.freesatelliteforyou.com/direct-tv/high-defintion-tv.php> which is a copy of the corresponding page on the offended site here:
<http://www.satellite-tv.ws/direct-tv/high-defintion-tv.php> also by the same anchor text of "HDTV Package".

Next, if you click on the link on the offending site titled:
"Direct TV by State", it takes you to this page here:
<http://www.freesatelliteforyou.com/direct-tv/state.php>
which again is a copy of the corresponding offended site here:
<http://www.satellite-tv.ws/direct-tv/state.php>.

Next, if you click on the link on the offending site titled:
"Frequently Asked Questions", it takes you to this page:
<http://www.freesatelliteforyou.com/direct-tv/faq.php> which again is a carbon copy of the corresponding page on the offended site here:
<http://www.satellite-tv.ws/direct-tv/faq.php>
also with the identical anchor text of "Frequently Asked Questions".

Also, the entire left sidebar link area on the offending (Free Satellite For You.com) site on ALL site pages is 100% identical to the left side bar area on ALL pages of the offended (Satellite-TV.ws) domain/site.

Next, if you click on the link on the offending site titled:
"Programming Packages" under the "Dish Network Programming" heading you go to this page:
<http://www.freesatelliteforyou.com/programming.php> which again is a 100% copy of the corresponding page on the victim site located here:
<http://www.satellite-tv.ws/programming.php> with again the same anchor text of "Programming Packages" under the "Dish Network Programming" heading.

Next, if you click on the link on the offending site titled:
"Commercial Programming" you go to this page:
<http://www.freesatelliteforyou.com/commercial.php>
which is a 100% copy of the corresponding page on the offended site here:
<http://www.satellite-tv.ws/commercial.php> with the same anchor text of:
"Commercial Programming".

All other links in the left sidebar area of the offending site:
www.freesatelliteforyou.com are dead links at this time.

Obviously, with the links of the infringing site's left sidebar area matching those of the offended site www.satellite-tv.ws, there is a 100% copy of our site; the clear intent of the Copyright infringing site is to steal ALL of the web content verbatim from www.satellite-tv.ws.

3. Provide information reasonably sufficient to permit Google to contact you.
