Attn: User Support, DMCA complaints

To whom it may concern:

It has come to my attention that the site: <http://onemartinitwo.blogspot.com/> (established this month: August 2005) is using blogspot.com to commit copyright infringement and plagiarism of Stephanie Klein's content and brand.

Stephanie Klein's web site <http://stephanieklein.blogspot.com> (established January 2004) is protected by a Creative Commons license. Obviously, the entire <http://onemartinitwo.blogspot.com/> site is an infringement, not just isolated posts. Besides outright plagiarism of her writing, this site is in violation of the No Derivative Works clause, as the blogspot site has altered, transformed, and built upon my work.

Stephanie Klein is the author of the book *Straight Up & Dirty*, published by ReganBooks. She is a freelance photographer, graphic designer, and writer. The author of the blogspot site is illegally appropriating her content and likeness for their personal gain as well as diluting/stealing my work.

Although the entire site is an infringement, some links that are blatant plagiarism lifted straight from Stephanie Klein's site are-

There are a bunch more... but I think that's all you need.

Please remove <http://onemartinitwo.blogspot.com/> immediately. If you have any questions, please don't hesitate to contact Stephanie Klein at [REDACTED]@gmail.com or phone at [REDACTED].

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law."

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Finally, as Stephanie Klein is in the top 1% of all Blogs worldwide in terms of traffic and popularity, it is imperative for someone in your office to contact me so we may streamline this process as there will be more DMCA violations to address.

As you can see from <http://stephanieklein.blogs.com>, Stephanie Klein is a partner with Google in providing ads from Google Ads on her site which have garnered a fruitful and profitable relationship for both Ms. Klein and Google. A partner is what we are looking for here in addressing these infringements swiftly.

Thank you in advance.
