Copyright Infringement Report

Dear Sirs,

There is a web site, which is using a photograph from my site. I requested he remove it. He/she totally ignored my emails. I then put in a .htaccess file which substituted a rather rude photograph instead.

He has circumvented this by linking to the image in your cache.

The link on his page is <a href=/photos/photo-www.drivingschoolireland.com/image/enya.jpg
<http://www.drivingschoolireland.com/enya.html&h=480&w=640&sz=71&tbnid=LtHame6yszgJ:&tbnh=101&tbnw=135&hl=en&start=8&prev=/images%3Fq%3DENYA%26svnum%3D10%26hl%3Den%26lr%3D%26ie%3DUTF-8>><img
src=http://images.google.com/images?q=tbn:LtHame6yszgJ:www.drivingschoolireland.com/image/enya.jpg width=135 height=101>

On his page http://www.mp3-find.com/photos_ENYA-0.asp

The original photo is www.drivingschoolireland.com/enya.html

He ignored my further emails

To add insult to injury he has disabled right click on his web site, claiming copyright.

His email address is [\[redacted\]@mp3-find.com](mailto: [redacted]@mp3-find.com)

My email is as above [\[redacted\]@drivingschoolireland.com](mailto: [redacted]@drivingschoolireland.com)

I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law."

I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Thanking You
