NOTIFICATION OF COPYRIGHT INFRINGEMENT

Date: 16 September 2005

Greetings

I am an agent authorized to act on behalf of Jelsoft Enterprises Limited who exclusively own vBulletin, a forum Software.

Your network is being used to offer that software illegally. The software may be a full version, a hack, crack or security key as detailed below.

The Blog relates to only pirated software and scripts.

"This is my collection list of all nulled or nullified scripts released by famous group such as WDYL, DGT, SCRIPTMAFIA, SPK100, CHT, WST, TNO etc

DISCLAIMER

I can not be held responsible for any unlawful actions based on or in conjunction with any of this releases. Visitor has to decide whether to download, install, and use a release or not. Scripts engineers have to spend a lot of time developing their programs to improve their products in order to get new customers and to make a living. Use this releases only for testing or educational purpose. If you acquire one of this releases not just for testing purposes but for everyday usage, we strongly oblige you to buy the script to support the authors!"

Of course none of the scripts are try before you buy and distribution is not permitted in this unauthorised manner.
