Request for disabling access to infringing materials

1. The copyrighted work we would like to protect is "Folder Lock" application. Search details (see below) provide access to data that directly violates our license agreement and allows our intellectual property to be used illegally. It also contains copyrighted information about Folder Lock.
2. Google.com searches provide access to illegal serial numbers, keygen, patches, free full versions and infringing copyright material on the given sites:

1. search query "folder lock crack"

3. Preferred way to contact the author is via email i.e. [REDACTED]@newssoftwares.net

4. Since all of these are crack sites, there is no sure way to contact these types of site owners.

5. I have a good faith belief that use of the copyrighted materials described above on the allegedly infringing web pages is not authorized by the copyright owner, its agent, or the law.

6. I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed.

Please note that this is an urgent matter, delays in response or help may incur legal involvement. Since all these sites are crack, serial or warez sites, we recommend you to proceed with removal of their links directly.
